NOTE FOR: EA/DDO

SUBJECT: PFIAB

PFIAB staffer Dan Carlin and Board Member Paul Seabury are putting the finishing touches on their report concerning recruitment and training. Carlin has requested that someone talk to them either the morning of 25 June or sometime on 26 June concerning how we recruit officers for the spectrum of  work (what kind of background we look for, what type of person, etc.). This request is related to a recommendation PFIAB is trying to formulate for its report. Carlin would not divulge the nature of the recommendation. I suspect he will attempt to enlarge his area of questioning on this topic with whomever he speaks.

Would appreciate your letting me know the disposition of this one on Monday.
